

IV Workshop on Wind (and) Water Energy WWME 2022

December 15th, 2022, online

Univ. Complutense Madrid-University of Basque Country

CALL FOR PAPERS

Potential contributors are invited to submit research advances on modelling, control, simulation, prediction, O&M, and other related issues regarding wind and marine energy systems.

Registration to the Workshop is FREE. All accepted papers will be published in “Lecture Notes on Clean Energy Generation”, ISBN (UPV/EHU).

Accepted contributions will be online presented (**3 minutes video**)

- **Submission length:** maximum of 6 pages
 - **Submission deadline:** 15 November 2022
 - **Notification of Acceptance:** 05 December 2022
 - **Camera-ready deadline:** 10 December 2022
 - **Submission method:** Submit to: irfanahmad.irfan@ehu.eus
 - **Submission language:** English, Spanish or Basque (with additional English abstract)
 - **Submission format:** IEEE style
- (<https://www.ieee.org/conferences/publishing/templates.html>)

Selected papers will be further invited to submit an English extended version to the special issue "[*Advances in Optimization and Control of Electronic Devices for Renewable and Clean Energy Systems and Applications*](#)" *Electronics* and other special issues of scientific journals.
